Another Victim of Pneumonia.

Special to The Tribune.
PARK CITY, Utah, Dec. 17.—Joseph W.
Sharp, one of the old-timers here, died of
pneumonia last evening at the Bogan room-
ing-house on Main street. Sharp was about
55 years of age and had been here for about
twenty years. He was a Civil war veteran,
having enlisted at the age of 16 and served
four full years. Up to the present time no
relatives of the deceased have been located
and he probably will be buried by the local
host of the G. A. R.

County Attorney Callis came up from Coal-
ville today and an inquest was held on the
body of Hugh Bates, the boy who was killed
on the Rio Grande railroad on Thursday. The
jury was composed of E. W. Berry, J. E.
Gruze and J. P. Burns. The verdict was that
Hugh E. Bates came to his death by being
crushed beneath the wheels of the railroad
car on a public crossing. That the public
crossing, on account of its location, and the
engine and cars passing frequently, is dan-
gerous and a menace to the safety of the
people.

this week, while two others are lying at the
point of death with pneumonia.

G. T. BEAN IS BOUND
OVER TO DISTRICT COURT

Special to The Tribune.
RICHFIELD, Dec. 17.—The preliminary
hearing of G. T. Bean on the charge of at-
tempting to suborn a witness was held be-
fore Justice Peter Jensen on Thursday. It
is alleged that Bean, as agent for Albert Mc-
Bride, paid money to Mrs. Almira Lewis of
this city and her daughter to get them to
testify against him for criminal relations
with Miss Lewis, who was at the time under
age. Witnesses for the State were examined,
but the defense did not put in any evidence,
submitting its case with the cross-examina-
tion of the State's witnesses. The Justice held
the defendant to the district court and placed
his bond in the sum of \$200.

This is the case which created so much
stir just before the election. Bean was the
candidate for County Attorney on the Re-
publican ticket, and a few weeks before elec-
tion this matter was made public. The coun-
ty committee met and requested Bean to
withdraw. He declined to do so and the com-
mittee afterward virtually repudiated him and
he was defeated by something over 400 votes.

Judge Childerster spent Thursday on the
bench here and put in a full day, with the
following business:
Hannah Peterson vs. A. J. Croser.—The de-
fendant moved to have the judgment of the
court set aside. Miss Peterson brought suit
against Croser for seduction, and when the
case was called in court Croser was not rep-
resented either in person or by counsel. The
plaintiff was awarded damages in the sum of
\$250, a fourth of the amount asked for. The
defendant now considers himself entitled to a
hearing in the matter and petitions the court
to allow a new trial. The motion was denied. No
notice of appeal will be served.

Tom Ferguson vs. Lorenzo Nielson.—Jug-
ment, which had been withheld pending the
taking of the case under advisement, rendered
in favor of the defendant on the ground of
no cause of action. Thirty days granted plain-
tiff in which to move for a new trial.

Ivie, who is now an inmate of the State men-
tal hospital at Provo.

sell personal property belonging to P. D. Schoe-
ber, deceased.

A document purporting to be the last will
and testament of Thomas C. Jensen, deceased,
